

Organization

Mill Levy

We request all Board Members distribute 5 mill levy packets. Addresses and packets to be provided at the Board meeting in September.

On October 1 we will hold a Stakeholder meeting for Q and A regarding the mill levy and other items of interest. Location and time to be determined. Board presence is requested.

City Relations

Hans, Mark Rinne, and I had a wonderful meeting with Mayor Kaysen regarding future funding of the DDA. Hans can go into more detail at the Board meeting.

I have attended the West Edge Project Committee meeting and intend to do this in the future. This is a great group of people who work on identifying issues and solutions for projects within the West Edge.

I will participate in the 17th Street RFQ vetting process this month for architect selection.

Branding/Marketing

We continue to make adjustment with the website. Your photo will be taken at the Board meeting. Please provide a short bio by Sept 15th for the website if you have not done so.

Policies and Procedures

The Bylaws Committee met and have made their suggestions to be reviewed at the Board meeting.

Cheyenne Mural Project

We have selected our final two artists: Jordan Dean and Dan Toro.

We are finalizing concepts between artists and building owners.

Design

West Edge and 17th Street

A West Edge Planning Session is scheduled form 2:30-5:30 on Sept 18th at the Asher Building followed by fabulous concert event.

Economic Restructuring

Property Owners

Regarding Z's: Our attorneys are working with Mr. Lim's attorney for process and expectations of the building owner. At this time we have had the Opinion

of Valuation of the building at \$0. Ayers has submitted a site eligibility request for Brownsfield Phase 1 study on the site. The public hearing with the County has been completed and the Commissioners voted 4:1 in favor of partnering with us on a grant application for this project.

Business Recruitment

I have begun working with LEADS on an interested party for the downtown area.

The DDA is working with an interested party in going in next to the Diamond Horseshoe.

Grocery Stores

Randy Byers has completed design for the Mexican Grocery Store for the CIG and is gathering cost estimates

Parking

We will begin looking at long term solutions and usage of parking.

Promotion

Business Owners

August 13 Thursday Night Out was a success! Desiree has been hard at work for the next Thursday Night Out on September 10th from 5-8. Come dine, shop, and support our downtown.

Adopt a Block

We are gathering feedback and input and will consider some changes to this program.
