

FRIENDS OF THE ATLAS SAVE THE LADY

How can you play a role?

Public Input Sessions will help us establish projects and priorities to build on the community involvement in the future of the Atlas Theatre.

To kick this off, we want you to help us answer these questions:

- What is the size of a community theatre building?
- What makes the "Atlas" the "Atlas"?
- What are the historically critical elements of the Atlas?
- What is a doable fund fund-raising budget? What will the Cheyenne community support?

When & where?

Our success relies on audience participation. Pick a date and time to join us at the Atlas Theatre (211 West Lincolnway, downtown Cheyenne) and play a role in our very bright future.

Public sessions are scheduled for:

- Sunday, May 7th, from 1–3pm
- Wednesday, May 17th, from 5:30 – 7pm
