

Mr. Hatch:

We are pleased to inform you that the Hynds building has received initial approval for funding in the amount of \$158,582.00 under the 2016 Façade Improvement Program (FIP). This funding is based upon the scope of work identified in your application and the final report from Mr. Glen Garrett, as approved by the Design committee.

This approval is contingent on final DDA/Main Street Board approval at the December Board meeting, to be held on December 8<sup>th</sup>, 2016, 3:00 pm in the Becker Board room of the Wyoming Business Council, and is subject to available funds.

Following this final approval, you will receive a Façade Easement agreement and detailed scope of work for your review and acceptance. Upon signing of that document, work may commence, with completion required within one year of the dated Easement agreement.

Thank you for your interest in this program and for your continued investment in downtown Cheyenne.

Sincerely,  
*The DDA/Main Street Design Committee.*
